Camps and Afterschool Events (Options outlined in this flyer on the following pages) are for clients that have their own staff (Camp counselors / teachers / Jr. Counselors etc.) that will assist with supervising and running activities for your campers. Consider it an onsite field trip; We bring the activities, do all of the set up and assist staff with any questions, but the activities are for your staff to do with their campers / students under their supervision. Please be certain YOUR staff know that it is NOT BREAK time. If you wish for your staff to be on BREAK consider a fully staffed camp event (see below)

Structure of Events - Most events will be set up as STATIONS for small groups to travel through under the direction of you staff. The size of the groups will be directly related to your STAFF: CAMPER ratio. Our onsite staff will discuss with your camp director upon arrival how many staff and campers you will have and then “build” the event structure based your situation for the day. In some cases of very small groups, we may opt for RECESS STYLE to allow kids free choice but in most cases, we will do “stations” kids rotate through on a schedule as kids are less likely to make poor choices when given more structure.

Alternate to our Camp Events - Fully Staffed Events: We do offer fully staffed versions of the same themes for clients that prefer us to fully staff and run games. These events are typically about 2-3 times more than our camp events and most popular for private events – but can be an option if you want to use the time for staff breaks. While the activities remain the same, we organize and bring the staffing necessary to run the event for you! For FULLY STAFFED options, your staff can sit on the side lines, go on break or participate in the activities as the kids do - as they would not have to do anything! **Contact us for more details.**

Pricing Ranges \$495-\$995+: Pricing is based on many factors: Fuel, Typical Traffic and Travel Distance, Duration of your event and Theme.

Larger Sized Camps – Fun DAY option - For clients that have more than 120 campers that they are looking to entertain or clients who want entertainment for the kids to last 2 hours or more - We will now offer our Fun Days to Camps in 2025. Fun Days are larger sized events of up to 12 stations that can accommodate up to 240 kids with activities simultaneously for a total of 480 kids for the day. See our FUN DAY FLYER for details. These options are more costly, but are great for clients looking to entertain 120-480 campers.

Large Age Spread of Your Campers - All options in this flyer can accommodate kids 3-12 years of age. HOWEVER, we do need to TWEAK the activities to the age of the kids. Once onsite we will discuss the ages with you so that we can make a plan that best suits your campers.

Some General Information:

Camp Events are priced for up to TWO HOURS of TIME. You decide how you wish to divide up your time for your group. If you need more time, it MAY be available at an additional rate of \$100-\$200 (*Depends on Theme and Session Duration*) per hour to stay longer. Please contact us for details on your situation.

Wide Variety of Ages in your program: You can Mix and Match your session durations. Many summer programs include preschool through elementary aged kids. You are welcome to mix and match. For example. Book 2-30-minute sessions for TWO younger groups and then one 1 Hour Session for an older group. Please contact us for details.

Structure of our events: Camp events are designed for campers and staff to travel through activities in small groups. Camp staff are responsible for all supervision of campers. The Carnival Party will assist your camp staff with the structure of the event as well as instructions and activities, **but it is the CAMP staff that should supervise each group and individual campers.**

Insurance: When requested, we can supply proof of our liability coverage with a copy of our insurance certificate. If it is necessary for you to have a certificate issued as your organization listed as a certificate holder or as an additionally insured, it is up to a \$50 fee. This paperwork fee is incurred with our insurance company. **We do not price events to absorb this cost**, as most clients do not need this service. However, for those who do need it, it is available. Please be certain to give us 2 weeks' notice to notify our insurance company and allow them to process the request.

Background Checks: When requested, we can supply proof of RI Criminal Background Checks on our staff.

Deposit: A \$100-\$300 deposit is required for most camp events. This deposit is NON-REFUNDABLE and will be forfeited if you cancel as we still have to pay staffing for the day regardless!! We will apply the deposit to a reschedule - if the reschedule will happen within 30 days of the cancellation date. It is important to note that the reschedule date will be contingent on our schedule (most likely a staff member will forfeit a day off to reschedule your event)

Planning for the event Location: Be certain you are ready for us at our arrival time as this is when we need to begin setting up. Gates should be open, areas cleared of kids and other equipment, etc. We need about 1.5-2 hours set up time before your event to setup the event, waiting even 15 minutes can delay the start of your event.

Keep in Mind: All of our events are activities to keep your campers active, moving and having fun while remaining under the supervision of YOUR staff. While we will facilitate the event and direct your staff, **your staff counselors need to keep in mind they are still "on the job" and the campers are still under their care at all times.**

Payment is due by CC, DEBIT or CHECK by the end of the event. Be certain to make arrangements for payment in advance.

More than 120 Campers? Want a longer duration of Fun for your Campers? If you have a larger camp (120+ Kids or want the activity for ALL CAMPERS at once) consider a school FUN DAY option instead. These options are larger in size and can accommodate up to 240+ kids to be on the field for 2 Hours at a time.

If you need MORE than your quoted time, let us know! Cost varies between themes, but is typically \$100-200 per additional hour.

Availability changes rapidly throughout the course of a month. If you need to HOLD a date while you confer with your staff or coworkers, we are happy to do so for one week. It is very risky to assume an available date given to you on one day, will still be available in 1-3 weeks (*especially for events in the months of March thru October*). Dates are strictly given on a first come first served basis. We give current availability to all inquiries we receive until someone requests a reservation.

RAIN CONTINGENCY PLAN - If you do not have a backup plan for indoors, and need to postpone due to weather or other, you must let us know by 600 p.m. on the eve of your upcoming event so that we may let staff know so they may plan the next day accordingly. We will send alternate availability so you can reschedule and not have to forfeit your deposit. Alternate availability will be within the next 30 days of your cancelled date.

- **If you are in need of a fully staffed event so that your counselors do not have to do anything,** let us know! We have options in which we fully staff the event! Cost is typically an **ADDITIONAL \$300-\$500** to have additional staffing, but these options allow you to free up your own staff to do other things.
