

# Mini Events

The Carnival Party is excited to add more themes, more games and special events to many of our Mini Event Themes for 2025.

## What is new:

- All Mini Events will have **special events or activities** to engage your guests for 1.5-2 hours.
- All Mini Events **now include “take homes”** of either candy, party favors or prizes!
- **New Themes:** Spin Art Bike, Balloon Dogs and Crafts, Mad Science, Twisted Madness, Spin Art and Face Painting, New Wood Working Project (String Art)

## Mini Event Package Details:

- **Cost ranges** \$395-\$795 depending on location, duration, theme and number of guests.
- **Duration:** 2 Hours, with the ability to add additional time at a rate of \$100 per hour.
- **Number of Guests:** Up to 60 TOTAL (or 30 participating kids). If you expect MORE, consider looking at our Family Event Flyer or our Activity Station Flyers for options that are designed to accommodate larger groups.
- Most Mini Events include **Activities for Guests to do at their leisure** throughout the event as well as **Special Events** that the Carnival Party will run throughout the event.
- **Mini Event packages** are designed for **guests to arrive at about the same time** and stay for most of the event. The Special Events of each theme are only done during specific times. What this means is that guests arriving late or leaving early may miss out on special events!
